- Following current statute, the base education amount would be \$9,151. That would require base education tax rates of \$0.94 and \$1.43. The tax commissioner has suggested allowing one year of inflation, resulting in a base amount of \$8,915 and base tax rates of \$0.92 and \$1.41. The administration also has stated that tax rates could remain flat at \$0.89 and \$1.38 if statewide education spending is level and the base education amount is set at \$8,915. Final figures will be set by the Legislature during the legislative session and approved by the Governor.
- The base income percentage cap is 1.80%.
